## ABOUT U3A

University of the Third Age, now abbreviated to U3A, began in 1968 in France and is a voluntary non-profit organisation which offers low cost educational and social opportunities to retirees or semi retirees.

## MEMBERSHIP GUIDELINES

Mudgee District U3A members are from all parts of the Mid-Western Regional Council area.

No entry or exam requirements are necessary to join Mudgee District U3A.

Most classes are held during the day in NSW school terms.

Membership Fees: A sliding scale is used to determine cost of enrolment:

Term 1,2,3,4    \$30

Term 2,3,4:    \$25

Term 3,4:      \$20

Term 4 only:    \$15

Membership fees cover administration, postage and insurance. There is no charge for residents of Aged Care Facilities.

Insurance is provided through U3A Network NSW, the State's U3A 'umbrella' organisation.

Members can access a copy of the Mudgee District U3A Constitution from the website [www.mudgeedistrictu3a.org.au](http://www.mudgeedistrictu3a.org.au), alternatively the Constitution is available, on request, from the Committee.

Newsletters are delivered to all members either by Australia Post or email. The use of electronic mail is encouraged to help save resources.

Class attendees must have enrolled prior to attending any class.

In some classes provision of your own materials may be necessary and a small fee may apply to cover the cost of class notes or other resources.

Courses presented at venues other than Kildallon may require a gold coin donation to cover hire costs.

Members receiving printed notes from their class Presenter will be asked to contribute to the cost of photocopying. There is no charge for notes or handouts delivered by email. Class members are under no obligation to receive notes and may decline the offer of receiving them in either format.

Morning or afternoon tea may be available at no cost in some classes.

There is an expectation that class members keep the Presenter informed as to intended absences or complete withdrawals. Presenters' phone numbers are published in the Program Booklet.

At the official Enrolment Day on Saturday 11th January 2025, 9.30am - 12 noon 70 Court Street Mudgee, most class Presenters will be available to answer questions about courses offered.

On Enrolment Day members pay the annual membership fee and enrol in the classes of their choice. A receipt will be issued on payment.

**IF ENROLLING BY MAIL: Send a completed Enrolment Form and Membership Fee and if you require a receipt please include a stamped self-addressed envelope to:**

**The Secretary**

**Mudgee District U3A**

**Kildallon**

**70 Court Street**

**Mudgee NSW 2850**

**DIRECT DEPOSIT – Account Name: Mudgee U3A**

**BSB: 082-726**

**Account Number: 396808275**

**Your payment reference: Write your name.**

Additional Enrolment forms are available from the Mudgee U3A website or by contacting the Program Coordinators. A vertical filing system is located on the wall outside the office. It contains enrolment forms and program booklets.

The viability of classes is dependent on sufficient registrations. Some classes have a limit due to the nature of the course or resources available.

In the case of oversubscription in classes with a limit on participants, the Program Coordinators will draw participants’ names out of a hat. The remainder will be placed on a waiting list.

You will be notified if you have missed out on a place in the draw and have been placed on a waiting list. If places become available, the waiting list will be activated in the order of the draw and you will be contacted with an enrolment update.

## **FORENSIC DOCUMENT EXAMINATION**

**CC: TFD**

This informative two part talk starts by defining forensic science then delves into what is forensic science, briefly touching on relevant legal aspects. Part of this discussion considers the role forensic science played, and the mistakes made, in the original conviction of Lindy Chamberlain and subsequently its' overturning by a Royal Commission.

The second part of the talk delves into the field of forensic document examination. It details the types of examinations undertaken by the forensic document examiner and the equipment used in these examinations. Using a series of case studies to illustrate the different classes of signature examinations helps facilitate an overview of signature and handwriting examinations. Lastly there will be a brief look at other types of examinations including the limitations imposed on an examination using printed and photocopied documents.
